Why would you like to attend AFUK:

Where did you hear about AFUK:

Anything else we should know:

The admission day/try-outs will be structured as an intensive overall workshop where our team will introduce you to our working methods. You will participate in classes on different subjects, various exercises and meet the group of current students and teachers.

Important info:

If you after the try-out-day are going to start as a student at AFUK Daghøjskole in January 2027, be aware that you must be a citizen of the Municipality of Copenhagen and have a social security number. Find more details about how to become a Citizen of Cph and get a Danish cpr-nr: https://international.kk.dk/live/cpr-registration-and-documents/cpr-number

If your presence should somehow be prevented, or you do not wish to participate in the tryoutdays anyway, we would appreciate it if you sent an email with your cancellation.

Fill in and send this form to: afuk@afuk.dk

Looking forward to meet you.

Many greetings on behalf of the AFUK team -
Stine Pilmark (head of school)
